**ARTWORK** | John Duckworth | "This was a beautiful, chilly winter morning over the Stono River. One of those days with no wind so the glassy surface of the river offered mirror reflections of the mesmerizing sunrise.

**VINEYARD NOTES** | Organically farmed for 20 years@@ Redding gravelly clay loam soils. 40 degree temperature swings from mid 50's to 90's make for a warm but tempered climate. Late May rains caused some significant shatter that lowered yields to 3.5 tons per acre. We harvested the grapes August 30th.

**WINEMAKER'S TASTING NOTES** | Pale shade of watermelon in color. Fresh, bold nose full of ripe peach, guava, orange blossom and ruby red grapefruit. Floral citrus peel in the background. Forward, ripe flavors of ruby red grapefruit, stone fruits and wild strawberry Jolly Ranchers. Finishes long and lean with lasting key lime and satsuma orange peel.
